

Cub Scout Informer

Program Promotion Update

We had a good turn out for the program promotion, but we did not reach our goal of selling 10 % more than last year. For those boys that reached their goal, we have a list and will be paying their registration and boys life for next year. The popcorn has been ordered and will be ready for pick up on Saturday, Nov. 10, from 9 to noon at the church. We are looking into other forms of fundraising to see if we can meet our goal. More info to come.

*Calendar of upcoming
Events*

- 11/5 - Committee Meeting - 6 pm
- 11/10 - Popcorn pickup - 9 am - noon - Church
- 11/10 - BALOO training (Leader)
- 11/10 - Scout day w/ Atlanta Thrashers - 7 pm
- 11/16 - 11/18 - Outdoor leader skills
- 11/26 - Pack Meeting
- 12/3 - Committee Meeting - 6pm
- 12/3 - Christmas Parade float decorating
- 12/7 - Ringgold Christmas parade (leaving RHS @ 6 pm)

October Events

The month of October was really busy. Here are updates to some of the things that we did.

We had several new leaders trained for their positions. A trained leader really makes a difference in having a good program and a great program. A big thank you goes out to all of the new leaders.

The first 2 weekends of the month were dedicated to popcorn sales. The boys that participated appeared to be having fun. There were some tired kids by the end of their time. Some of the boys

were a little shy at first, but after a few times of asking customers, they really opened up. With just the show and sale we earned over \$2,000. Thank you to all of the boys that participated.

On the weekend of October 20, 33 scouts and their family went to Sidney Dew's Jam-Boo-ree. There was archery, B-B shooting, Ultimate Frisbee, fishing, crafts and lots of fun. This is the largest turn out for a camping trip, that I am aware, our pack has had in many years. Hope everyone had fun.

(Continued on page 2)

Upcoming Events

We have been contacted by a scout group in England about starting a pen pal group. We would like the boys to write a letter to their pen pals. It can be about anything they would like. We will also be trying to get a group picture to send along with the letters. Stay tuned for more info to come.

November 5 is our monthly committee meeting, everyone is welcome to attend.

November 10 we will be distributing the

popcorn for the take orders. We will be at the church from 9 until around noon.

November 10 is Scout day with the Atlanta Thrashers, hockey team. Info on the calendar on our web site.

Thanksgiving is November 22 so don't eat too much.

The pinewood derby is coming up in January. We will hand out cars at November's pack meeting.

October's Activities

(Continued from page 1)

On the Monday following the campout, we had a group from a local Ham radio group come visit. They provided a presentation about how radios can be used. After the presentation, the group had a few radios setup, and allowed the boys to talk. I believe that they were able to reach someone in Portugal and Australia.

The last weekend of the month was dedicated to rockets. Several scouts met at the Ringgold Primary playground and shot off water rockets. It was a little cool to begin with, but the scouts and the parents helping didn't seem to mind. The rocket fuel used was a unique mixture of Hydrogen and Oxygen (water). The boys got their exercise by running back and forth loading the fuel into their

bottles.

Scheduled at the same time was Scout day at the U.S. Space Center in Huntsville, AL. This is an event that is held twice a year in the spring and the fall and allows all scouts an opportunity to see real space ships used by NASA. If you missed it this time they should have it again next spring.

Awards Corner

This months awards:

- Tyler D. - Bobcat ,Archery & B-B belt loop
- Ryan E. - Archery and B-B belt loop
- Blake F. - Archery and B-B belt loop
- Samuel G. - Archery and B-B belt loop
